Box: PATENT APPLICATION (DO/EO/US)
Commissioner for Patents
Washington, D. C. 20231

Sir:

Prior to calculating the filing fee, kindly amend the above-captioned application as follows:

IN THE CLAIMS:

Kindly amend claims 8, 11, 13, 16, 18-22 and 27-29 to delete the multiple dependencies and replace all of the claims with the following:

1. (Unchanged) A method of inserting table-format data where field values are inserted at arbitrary positions in table-format data represented by an array of records containing a field and the field values contained therein, wherein
said method of inserting table-format data is characterized in comprising the steps
of:
